

# 2018 **BiG Referral Program**

## BreakThrough's Infinite Giving

All of us at BreakThrough Physical Therapy look forward to helping you, your family, friends, colleagues and acquaintances in the years to come. We know that when you refer someone for physical therapy, your reputation is on the line. We take this responsibility seriously and are committed to continually improving in all aspects of our practice. Thank you for helping others in need to find the assistance that they may not know is available. Our BiG Referral Program is one sign of how we are truly committed to you and the communities we serve. We are excited about supporting these 8 charities throughout this year and continually growing this program with your support year after year!
